

## Montessori Pathways School

Dear Parents,

The holidays are upon us. As we enjoy time with our loved ones, it is important to remember that not everyone is as fortunate. Keeping with the holiday spirit, we have decided to continue helping charities.

As you may remember, we have usually collected for the Heifer International Organization. This year, however, after helping globally through UNICEF, we have decided to assist our community through the Make-A-Wish program. Since our school community is not large enough to adopt a whole wish, our donations will go toward a wish that is in the process of being fulfilled.

***Jacob is a four year old boy living in Fox River Grove. He is battling leukemia, which is a cancer of the blood or bone marrow characterized by an abnormal increase of the white blood cells.***

***Jacob's wish is to go to Disney World and prepare a meal with Chef Mickey. His wish is scheduled to be fulfilled on January 27, 2011.***

***Our contributions will help Jacob's wish come true. Even if each of us gives \$5, it will make his trip that much happier. Times are tough for us all, but they are especially difficult for children like Jacob whose only wish is to live a normal life.***

As you prepare to spend the holidays with your family, please help others do the same.

Sorry, we cannot help.

Please make a payment to **Make-a-Wish Foundation** and return this form with a payment **no later than Thursday, December 23 2010**

Very Sincerely,
